

## Executive Summary – Coulee Region 2016 Needs Assessment (By Race / Ethnicity: Asian)

In 2016, Couleecap Inc. conducted a needs assessment to gather information regarding the needs of low-income individuals and families in a four-county service area (Crawford, La Crosse, Monroe, and Vernon counties). Information was gathered via surveys designed for low-income households. Surveys were distributed in the Couleecap service area and a total of 901 responses were used in the analysis of the survey data.

The responses reported here are from low-income households that reported their race / ethnicity as Asian. The data represents at least 91 people (adults and children) that live in the Coulee Region. Demographic information about these low-income households includes:

- 35% had annual incomes less than \$20,000; an additional 10% had incomes between \$20,000 and \$29,999
- 80% had income from wages; 5% from self-employment; 5% from unemployment.
- Sources of cash income / support:
  - 40% from Medicaid / Medicare
  - 40% from FoodShare
  - 25% from Food Pantry
  - 10% from Social Security Disability
  - 5% from SSI
- Of the respondents with housing:
  - 45% were renters
  - 50% owned their own home
- 10% could be considered homeless.
- 80% had children:
  - 10% with children were single-parent households
  - 70% with children were married-parent households
- 20% had at least one person limited by a physical, mental or emotional problem.

Information from the 2016 Couleecap Needs Assessment along with information from other recent, local reports, surveys, and/or assessments will be used to help plan for and implement services to address the needs of low-income households across the Couleecap, Inc. service area.

## **Outcomes**

*Low-Income Households.* Households that responded to the needs assessment were asked to rate issues that were a need for their household. The table below reports the eight areas of need (rank ordered from most to least important) and the top two concerns within each area:
