### **Couleecap's Bargain Boutique and Food Pantry appreciates the generosity of the community**

Couleecap is celebrating its 50<sup>th</sup> anniversary serving the local community. Couleecap is a nonprofit organization whose mission is to fight poverty and promote self-sufficiency, economic development and social justice. We are People Helping People and everyday our actions make a difference in the lives of people and families throughout the Coulee Region. The success of Couleecap's Bargain Boutique and Food Pantry reflects greatly on the community.

Couleecap greatly appreciates the generosity of the community, which has been shown through donations of household goods, clothing, food and monetary donations. The operation utilizes an amazing number of volunteers. Our food pantry and clothing center relies heavily upon volunteer hours in order to operate effectively. Couleecap is seeking volunteers at this time. We have volunteers who work as little as four hours per week and some that work as many as 30 to 40 hours per week, according to their preferences. Couleecap also welcomes the help of local service organizations in order to meet our volunteer needs.

If you are interested, or know of someone who may be interested in volunteering, please contact Peggy Gallagher at:
