Couleecap Development Project brings affordable housing to Cashton

Cashton, WI – The Village of Cashton has five new homes thanks to a recently completed project made possible through a collaboration of local organizations and funders. Couleecap, Inc. celebrated the completion of our affordable housing development in Cashton. The event was attended by Couleecap staff, Village of Cashton officials, and funders – who all worked to plan, fund, and complete the project which brought 5 units of affordable housing to the Village of Cashton.

Ashley Lacenski, Couleecap Interim Community Development Director said the project was completed in partnership with the State of Wisconsin Department of Administration and the Bank of Cashton. “We are pleased to be a part of this project, and would like to thank our partners for their generous support,” said Lacenski. “Today we celebrate Marcia and her family as they become first time homeowners. Couleecap is pleased to have played a role in making today a reality for them and we wish them the best in their new home.”

The homebuyer, Marcia Frapasella and her children attended the event with other members of her family. Ms. Lacenski, presented her with the keys to her very first home. “I want to thank Couleecap and the Bank of Cashton for making my dreams come true,” said Frapasella.
